

AMENDMENT TO THE SPECIFICATION:

Please amend the paragraph on page 9, line 25 through page 10, line 7 as follows:

Each of programmed icons 306 and 307 also indicates a state wherein programming has already be been completed. The programmed icons 306 and 307 are located at the positions of 12:00 and 1:00, respectively. The same channel is programmed over two time zones adjacent to each other. This represents that programming for 2 hrs is set. Hence, the programmed icons 306 and 307 indicate that programming has been done for "2 hrs from 12:00 p.m., September 11 (Wed) on channel 3".

Please amend the paragraph on page 21, lines 8 through line 12 as follows:

This embodiment ~~allows to browse~~ allows browsing the list of programming contents for one week or one month. An arrangement in which program watching and programming confirmation can simultaneously be executed will also be disclosed.
